

AWARDS

APPLICATION

About the Awards

The Safe Home Safe Child Awards recognizes an individual, business, and organization's commitment to preventing injury and accidents to children in and around the home. One of the best ways to increase home safety awareness is to highlight examples of programs and practices keeping children safe. The Safe Home Safe Child Awards recognize those who serve as a model for others to follow.

Charlie's House recognizes the best of the best in developing, promoting, programming, practices, and issues that focus on preventing accidents and injuries to children. By honoring individuals, businesses, and organizations, we hope to inspire others to consider how they may create or grow their efforts.

The following criteria reflect the core values and characteristics recognized by Charlie's House Safe Home Safe Child Awards. In addition, nominees and recipients demonstrate alignment with the Charlie's House mission of preventing accidents and injuries to children in and around the home.

APPLICATION IS DUE APRIL 30, 2023

Criteria

Excellence in Home Safety (Individual)

The Excellence in Home Safety highlights an individual's outstanding contributions to home safety and preventing accidents and injuries to children. In selecting the recipient, consideration is given to their significant role in safety education initiatives, preventive efforts to reduce injuries and accidents, developing community collaborations that bring families, organizations, and companies together, and advocating for a child's well-being. Also considered are the example they set for others and their commitment to ongoing professional education so they may deliver the most up-to-date methodologies.

Outstanding Safety Practices (Business)

The Outstanding Safety Practices Business Award recognizes the exceptional contributions of a company's actions in helping prevent accidents and injuries to children and making safety a priority to their employees and families. Activities, including increased awareness, advocacy, and programming, are considered.

Outstanding Safety Efforts (Organization)

The Outstanding Safety Practices Organization Award recognizes the efforts of a community organization, including non-profits, public safety, and healthcare. In addition, consideration is given to organizations that educate the public, parents, and others about best practices in preventing accidents and injuries to children.

Additional consideration is given to groups that advocate for those they serve, the community partnerships developed, and the impact of the Organization's work in the community.
